

WHO Practical Training Course on Adjuvants and Vaccine Formulation 9 – 13 February 2015, University of Lausanne

Monday, 9 February 2015

09:00 – 9:05 (La Ferme East)	Welcome Nicolas Collin
09:05 – 9:15 (La Ferme East)	Introduction to the course Livia Brunner
9:15 – 10:15 (La Ferme East)	Overview of vaccine adjuvants Nicolas Collin

Coffee (La Ferme)

10:30 – 11:30 (La Ferme East)	Background of adjuvant QC assays Livia Brunner + Christophe Barnier-Quer
11:30 – 12:00 (Lab)	Introduction to the VFL laboratory practices Maude Marti-Favre

Lunch (La Ferme)

13:00 – 17:00 (DB300, lab)	A: Aluminium salts Livia Brunner	13:00 – 17:00 (Lab)	B: Liposomes Christophe Barnier-Quer
-------------------------------	--	------------------------	--

Tuesday, 10 February 2015

08:00 – 12:00 (Lab)	A: Liposomes Christophe Barnier-Quer	10:00 – 12:00 (DB300)	B: Overview of antigen QC assays Patrice Dubois
------------------------	--	--------------------------	---

Lunch (La Ferme)

13:00 – 17:00 (Lab)	A: Water-in-oil emulsions Corinne Nawrocki	13:00 – 17:00 (DB300, Lab)	B: Oil-in-water emulsions Livia Brunner
------------------------	--	-------------------------------	---

WHO Practical Training Course on Adjuvants and Vaccine Formulation 9 – 13 February 2015, University of Lausanne

Wednesday, 11 February 2015

08:00 – 12:00 (DB300, Lab)	A: Oil-in-water emulsions Livia Brunner
-------------------------------	---

08:00 – 12:00 (Lab)	B: Water-in-oil emulsions Corinne Nawrocki
------------------------	--

Lunch (La Ferme)

13:00 – 15:00 (La Ferme W)	A: Overview of antigen QC assays Patrice Dubois
-------------------------------	---

13:00 – 17:00 (DB300, Lab)	B: Aluminium salts Livia Brunner
-------------------------------	--

Thursday, 12 February 2015

08:00 – 12:00 (Lab)	Antigen-Detection of Liposome formulations Livia Brunner
------------------------	---

Lunch (La Ferme)

13:00 – 15:00 (La Ferme East)	A: Compilation of results Participants Group A
----------------------------------	--

13:00 – 15:00 (La Ferme East)	B: Compilation of results Participants Group B
----------------------------------	--

Coffee (La Ferme)

15:00 – 17:00 (La Ferme East)	Comparison and discussion of results Participants Group A and B
----------------------------------	--

WHO Practical Training Course on Adjuvants and Vaccine Formulation 9 – 13 February 2015, University of Lausanne

Friday, 13 February 2015

10:00 – 12:00 (La Ferme East)	Presentation of results: Aluminium salts, Liposomes (including Antigen), Oil-in-water emulsions, and Water-in-oil emulsions Participants Group A and B
----------------------------------	---

Lunch (La Ferme)

13:00 – 13:30 (La Ferme East)	General Discussion Participants Group A and B
13:30 – 14:00 (La Ferme East)	Evaluation and Certification Participants Group A and B

Coffee and good-bye (La Ferme)

Participants - Group A

Alice Gerlini
Grzegorz Chodaczek
Alice Gutjahr
Esraa Mahmoud Elnaiem

Participants - Group B

Ivan Pisoni
Malgorzata Kesik
Hadeel Khallouf
Romi Kurniawan
