

Application form

Marie Skłodowska-Curie Actions (MSCA)

Innovative Training Networks (ITN)

Novel vaccine vectors to resist pathogen challenge – VacPath

Personal data about the applicant

Family name		First name	
Middle name			
Date of birth (date/month/year)	Country	Citizenship	
Home Address (street, house number)			
Post code		Town	
E-mail		Telephone number	

Information about the education:

Degree		
Course		
Period:	From	To
Institution		
Grade (or equivalent)		

Additional degree (optional)		
Course		
Period:	From	To
Institution		
Grade (or equivalent)		

What scientific background education do you have?

There are different projects in seven institution. Please list with a number from 1 to 7 your preference order. (1 is your preferred)

- University of Basel, Basel, Switzerland
Project Title: Arenavirus-based vaccine vectors to enhance T cell and antibody responses in homologous and heterologous prime – boost vaccination
- H. H. Universität Düsseldorf, Düsseldorf, Germany
Project Title: Approaches to optimise MVA-based vaccines and to enhance MVA-mediated T cell response
- Abera Bioscience, Amsterdam, Netherlands
Project Title: Production of *S. typhimurium*-based vaccine vectors for mucosal immunisation
- University of Siena, Siena, Italy
Project Title: Recombinant *S. gordonii* to modulate host immune responses
- Utrecht University, Utrecht, Netherlands
Project Title: Strategies to enhance the immunogenicity of vectored vaccines
- Microbiotec, Siena, Italy
Project Title: Transcriptome analysis to profile vaccine-induced immune responses
- Staten Serum institute, Copenhagen, Denmark
Project Title: Novel vaccine technologies to protect against genital *C. trachomatis* infections

Signature

I confirm that the information stated in this form are correct.
